

Mrs. Euler's Study Hall Rules

1. Be on time. Be in your assigned seat and stay there. Tardy policy applies.
2. At the end of the period, since this is 8th period, you should leave according to the approved dismissal policy.
 - a. If you drive or if you are staying for an extracurricular, you do not leave with the bus riders.
 - b. Be honest, and we will not have any issues.
3. Masks are to be worn at all times, when mandated.
4. This is not free time or recess.
 - a. No talking.
 - b. No study groups.
5. Bring something to work on or read every day.
6. Homework comes before playing on your phone or computer.
7. I should not hear your phone, computer, music, etc., nor should your classmates, while we are trying to work and/or study.
8. Chrome books should be charged and ready to use for work; do not ask to charge it and do not plug it in (this is not fair to others because there are not enough outlets for everyone).
9. If you need to see another teacher, get a pass from that teacher (before class) and bring it to me to sign.
 - a. Being tardy to get a pass from a teacher still counts as a tardy.
 - b. Plan ahead!
10. Do not leave the room without talking to me and getting a pass. No more than two people may be out of the room at one time.
11. Be respectful of others and their things (always and everywhere).
12. No food or drinks. Water is permissible but must be in a sealed/capped container.
13. If you have gone to CHS since freshman year, you all had Freshman Success so you know how study hall works. No excuses.
14. Any insubordinate behavior will receive a referral in accordance with the discipline policy.
 - a. If necessary, you will be sent to the office.
 - b. Let's not let that happen...follow the rules, be respectful, and have a good year!
